**RE: Child Care, and Family Resource Programs/EarlyON & Administration Office Closure**

Dear families,

With growing global concerns around COVID-19 (“coronavirus”), we wanted to provide you with an update on our response to date and our commitment to you moving forward. The health, safety and well-being of our personnel, families and guests is Our Children, Our Future/Nos enfants, notre avenir’s top priority and we are following the lead of Canadian Public Health Authorities at this important time.

In light of the decisions by local School Boards to close all schools, including child care and community use of schools, we regret to inform you that Our Children, Our Future/Nos enfants, notre avenir will not be providing child care or family resource programs/EarlyON services, from March 14, 2020 to April 5, 2020 inclusive.

During this time period, families will not be charged for child care services. This decision will also not affect your current child care spaces. Over the next three weeks, we will provide updates on our Facebook page (Our Children, Our Future/Nos enfants, notre avenir) and website [www.ocof.net](http://www.ocof.net).

Again, we continue to monitor this situation closely and will provide ongoing updates as needed. We also encourage everyone to stay up-to-date through the [www.health.gov.on.ca](http://www.health.gov.on.ca) website.

Thank you and we look forward to welcoming you back soon.

If you have any questions/concerns, please feel free to contact me at your earliest convenience.

Sincerely,

Vincent Lacroix  
President, Board of Directors
